Additional Comments:

Tom really made our wedding wonderful. He was extremely accomodating + made the planning process very smooth. He came to the house to meet us and he went to the reception site to check everything out. The day of the wedding he really made sure the event went smoothly. We were running behind schedule, but he made sure that nobody else noticed and that all the toasts/dances happened

Accordingly, Tom even found my bouquet when I lost it! He really made sure that he was taking care of everything so we didn't have to worry. He worked with the photographer on arranging photos and announced when ^{the} coffee was being served so people would know. He did a great job of coordinating the evening. I never had to worry about anything. Most of all, though, he did a phenomenal job with the music. People never got off the dance floor because they were having so much fun! Tom gets my highest recommendations he did an extraordinary job. I would be happy to act as a reference for him any time.
