Additional Comments:

I just want to thank you for providing my husband and I with exceptional service. You really took control of the evening and everything ran so

Turn over and use back if more space is needed

Smoothly that I couldn't have asked for more. All the guests were impressed with not only your professionalism, but also the selection of music and availability of requests. We were so impressed with your service that we've already recommended you to 2 other couples who will be getting married next year. Once again, thank you for making our special evening one that we will never forget!

Thank You,
